1. A **swim test** is required of all students on the first day of class, which consists of swimming in normal sailing clothing and water or boat shoes. Under instructor supervision and approval, the student will swim 50 yards without a Personal Flotation Device (PFC), and while treading water must be able to put on and remove a PFD. You must provide your own U.S. Coast Guard approved Type II or Type III PFD for your child's proper weight and size. The PFD needs to be form fitting and comfortable as you will be wearing it at all times during the course.
2. **Appropriate footwear** will be worn at all times. Sandals, flip-flops, and similar footwear are unacceptable since they do not properly protect your feet and toes. Closed toe water shoes, boat, or tennis shoes with soft non-skid soles and toe bumpers are acceptable.

Student Agreement: I understand that in entering this sailing course I agree to obey all program rules and directives of the program's instructors, and that I will use the utmost care in the use of boats and equipment, and that I will not engage in horseplay or other disruptive behavior. I understand that failure to attend classes, arrive promptly, and abide by the rules may result in my suspension from the program.
